

How does my pumpkin grow?

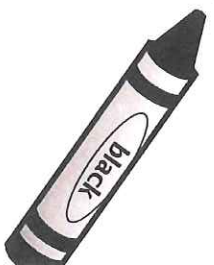

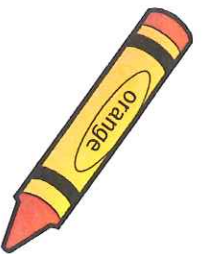

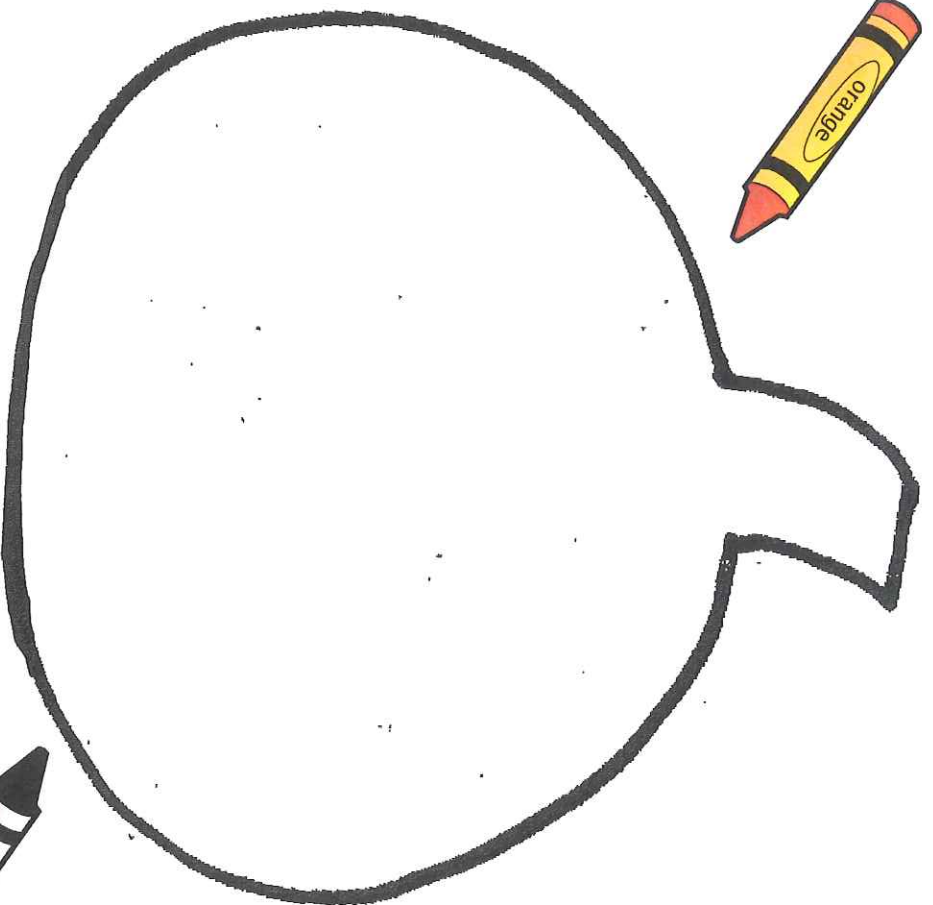

My Name is _____

Compliments of:
Boone County Farm Bureau
Foundation®

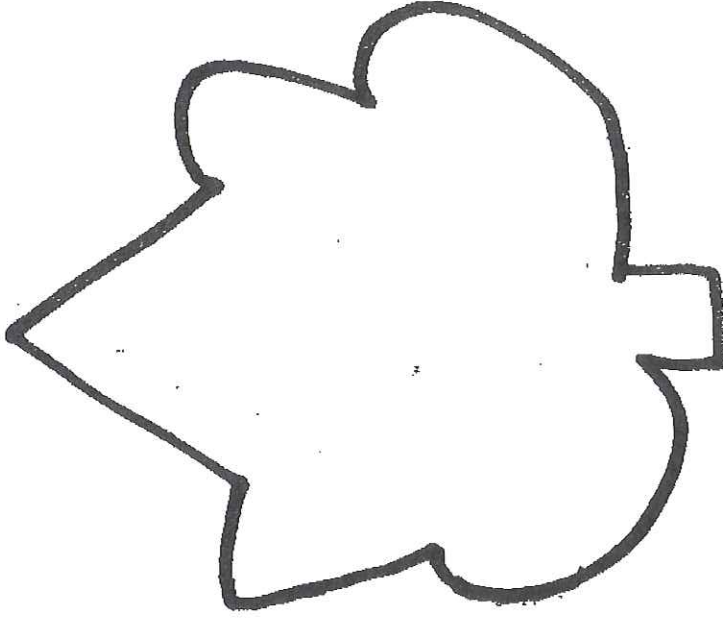

I plant the pumpkin seed.

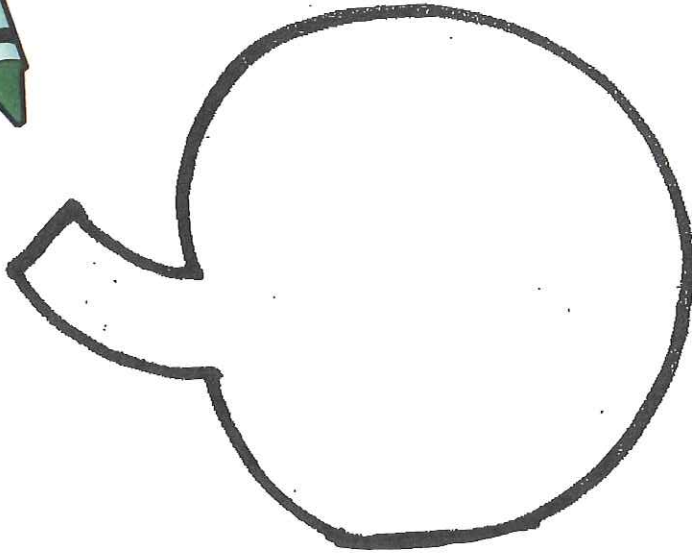

My pumpkin is ready to carve.

It is big and orange.

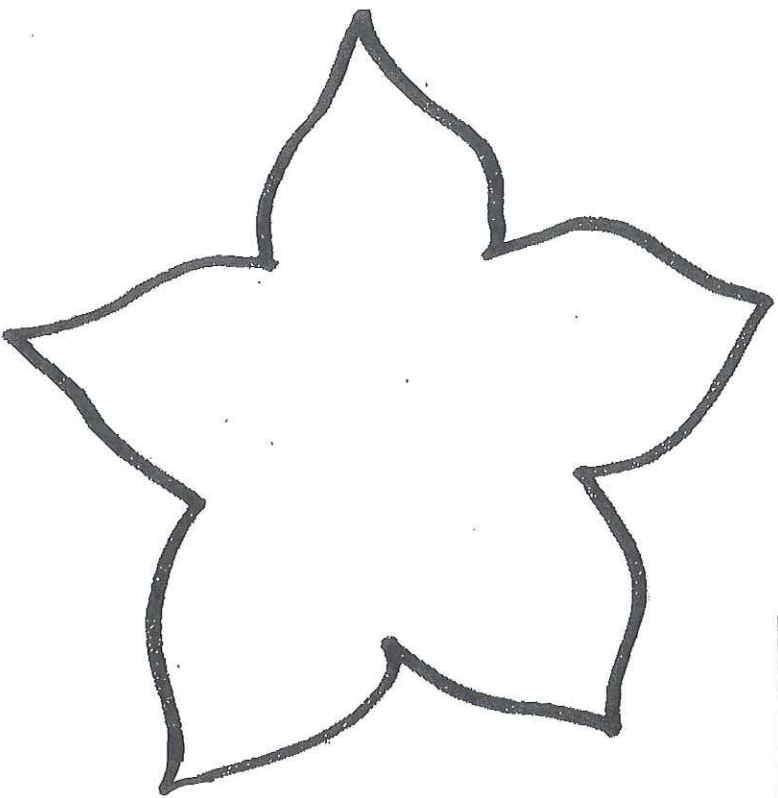

*It is a _____ Jack-o-lantern.
(happy, mad, sad, scary, or surprised)*

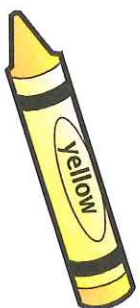

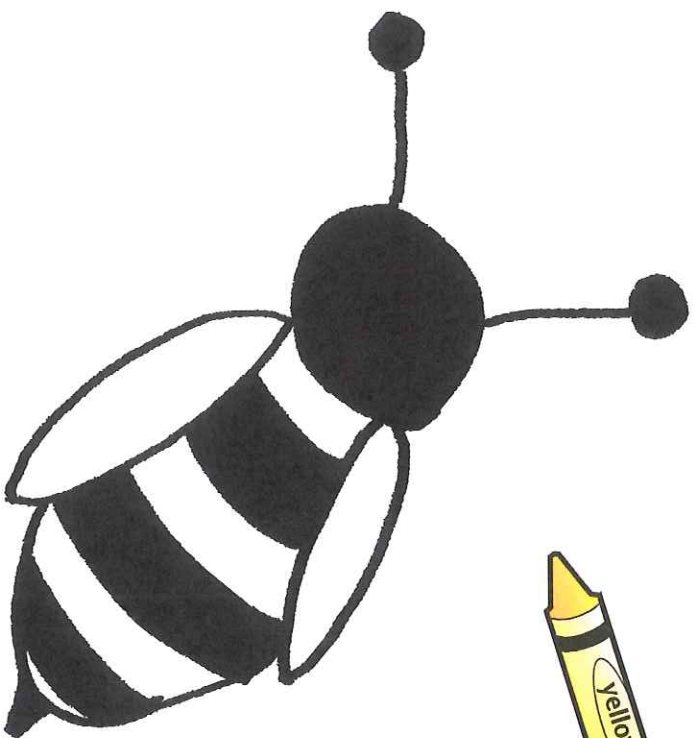

The seed grows into a vine with leaves.

Small pumpkins begin to grow from the flowers.

Pumpkin flower blossoms grow up in the leaves.

Honey bees pollinate the flower blossoms.
